Session 1:

____ **Honor My Mother & Father?**- Do you ever wonder why your parent(s) treat you the way they do? Do you wish you could communicate better with them? Then come participate and learn ways to better your relationship with your parent(s) without losing your mind.

____ **Radical Hospitality for Youth**- Youth can come check out this group to discuss, brainstorm and share ways which you can make your youth group more welcoming to teenagers like you and not like you for the glory of Christ. Maybe you can even improve your church!

____ **Risk Taking Mission & Service Opportunities**- Youth can come be a part of this group to understand the importance of mission & service, share ideas on mission opportunities, and what it means to take a risk for God by serving others

____ **Wear Your Faith**- What are the pros and cons to tattoos? Should you even get one? The stereotypes surrounding tattoos and the availability of tattoo shops is changing quickly. However, most people are largely unaware of the information they should have about tattoos and tattoo artists before going to get one. Wearing Your Faith will help you look to think about some of the details you may not have considered, and view your tattoo, or other body modification with calm, objective, Godly understanding.

____ **Weird Stuff in the Bible**- Ever heard of the man Balaam and his talking donkey or Elisha and the she-bears? Come and learn of some interesting and sometimes funny stories and people in the Bible that you probably have never heard about.

____ **What Would Jesus Buy?**- Teenagers are some of the biggest money spenders in the country. Come learn some ways to spend money wisely, how to save money, and to also share with God some of the gifts which God has given you.

____ **The Workshop for Guys Who Don't Like Workshops**- Face it, guys are a different kind of human. Unlike your female counterparts, guys typically enjoy things like Big Screen TV's, 24/7 sports, action movies, video games, etc. As great as it is to be a GUY, there are some things that guys struggle with, particularly when it comes to faith. Come take an honest look at what it is like to be a young man of faith.

____ **Yoga & God**- Come and actively participate and learn some practices using yoga to benefit your body, your mind, your focus, and your time with God.

Session 2:

____ **The ABCs of UMY**- Do you know what all there is beyond your local youth group? And what do all of the letters mean like DCYM, CCYM, YSF, and JYT? Learn how to get involved in these groups and how they can benefit your local youth group.

____ **Being Called to Ministry**- Do you ever have a feeling that you are being led to be a preacher, a youth minister, or serve in other areas in the church? Or maybe you are curious about what it means to be called to ministry? Then give this a shot to help you in figuring that out.

____ **Hot Topics**- Come explore the issues facing our church today - the environment, gambling, capital punishment, war and more. This has nothing to do with the store in the mall.

____ **How to Pray/ New Ways to Pray**- Do you ever feel at a loss for words when talking to God, or feel in a rut with your prayer life? Get involved with this session to learn how to easily talk to and with God, how to listen, and some new ways in which you can pray.

____ **Rising Up - Getting a Plan and Putting It Into Action**- Interested in helping a cause, but don't how to start? Have a passion about something that would show God's glory to others, but don't know the next step to take? Want to talk about your ideas, but don't know who to go to first? Want to get to know other people who may have similar passions? Join in these small group discussions to talk about these questions, your own ideas, inspirations, and ways a few people, or even one person, can make a difference.
